

The English Guernsey Cattle Society Newsletter

Meadwell Farm, Kelly, Lifton, Devon, PL16 0HJ

Tel: 01822 870727 e-mail: office@guernseycattle.com www.guernseycattle.com Autumn 2014

As the evenings start to draw in, it is time for me to send out the Autumn Newsletter with news of the latest bulls the Society has on offer to its members and customers and to keep you informed of any matters of interest.

As you will see from the inside pages we have 2 exciting new bulls on offer to you, as well as reintroducing Maradore Aarons Levi following his recent proof, all of which are A2/A2.

Dairyman Double Dawson – we are selling this bull in partnership with Semex, hence the slightly different pricing structure - is an excellent son of Pine Ridge Double L which many of you will have used to good effect, particularly in Udder improvement. Many of you will be attracted to his +0.13 Fat figure, and following in his Sire's footsteps, an excellent 1.7 for Mammary. Add into this equation a very reasonable -1.3 for Fertility, an all round good buy.

Briddlesford Bluebells Leopold is the first bull we have selected from Richard and Judi Griffin's excellent Briddlesford herd from The Isle of Wight. Leopold offers you milk in plenty (predicted 331 kgs) and an udder improving score of 1.9 for Mammary. This bull carries forward the excellent udder score of his Sire, Maradore Aarons Levi at 2.8 and he is out of Briddlesford Pacifics Bluebell with 2 generations of VG85 behind him. See on this page more information on more Briddlesford young bulls ready for purchase and use in your herds.

Maradore Aarons Levi ET – marketed as a young bull a couple of years ago, this bull has now achieved a proof, showing, in particular, an excellent Mammary score of 2.8, a very creditable 362 for milk and -1.9 for Fertility. Now is your opportunity to use this bull again with a view to improving udders and adding to the growing number of impressive Classification scores experienced by our members. Marketed as a Proven bull this bull is available starting at £15.00 per straw.

INCREASED COSTS TO SOCIETY

As of the 1st August CDI through Holstein UK have increased their costs to us for both Registration and Classification.

Registration – These charges cover the maintenance of the Herd Book, IT systems and Database provision, including animal registration. An increase of 50p per animal to £3.25 for a new animal registration and the production of a certificate. We would encourage our members to adopt paper-

less registration. More often than not, pedigree certificates are out of date as soon as they have been printed as data is continuously being updated. All EGCS members are now able to download and print pedigree certificates online via the CDI website. To access this, all you need to do is click on the link on The English Guernsey Cattle Society website, where you will be taken to the CDI website and you can sign in with your Prefix and Pin Number. Once logged into the Members section, all you need to do is to follow these three simple steps;

1. Click the link "Request Certificates via Herd List" – you will be taken to your Herd List where you are able to select a maximum of 10 animals that you require certificates for. Each time an animal is selected it will appear at the top of the page where you have the option to remove the animal from the requests.
2. When you have finished selecting your animals, click "Run Certs" – the online certificates can take up to five minutes to generate depending on how many have been requested. Whilst this is happening, you are still able to browse around the website.
3. When the certificates have been generated, a green "New Cert(s) available" link will appear on the top right of the page, click on this to get access to your online pedigrees. All certificates will be available for 48 hours only, to ensure that certificates don't go out of date.

If you are interested in pursuing this option please contact the Administrator, Caroline Cox on 01822 870727 as EGCS have to inform HUK that a member wishes to cease having their certificates printed and posted out to them.

Continuing on the theme of Registration, looking at the actual number of animals so far registered in 2014 it would appear that there must be a glut of Guernsey heifer calves out there waiting to be registered. Please be mindful that a late registration of a calf of more than 60 days of age will incur a charge of £3.00 per calf, a principle in line with other Breed Societies, although a good deal more lenient. This applies equally to registrations made through Telereg, received in the Office and collected by Digby.

FOR SALE – BRIDDLESFORD BULLS

Richard and Judi Griffin have a number of well bred bulls for sale available from November onwards at competitive prices. Contact the Griffins on 01983

882239, 07798 608406 or judigriffin@tiscalic.co.uk for more information.

Briddlesford Violets John GMI 275

born 05.02.14 sired by Beechgroves Ezra (GMI 281) out of Briddlesford Delta Violet VG87 (GMI 269), her Dam EX90. This bull is A1/A2.

Briddlesford Bluebells Henry GMI 188

born 30.01.14, A2/A2, sired by Briddlesford Edward (GMI 213) by Levi, who went down with TB in Devon before he could go on Centre.

Briddlesford Daisys Napoleon GMI 127

born 28.12.13, A2/A2 again sired by Briddlesford Edward out of Briddlesford Crunchs Daisy H86 out of a VG89 dam.

Briddlesford Daisy George GMI 115

born 19.11.13, A2/A2 sired by Les Jaonnets Caras Conqueror out of Briddlesford Greggs Daisy VG 89 (VG 87 Mammary, EX93 Feet and Legs)

Briddlesford Snowdrops Charles GMI 288

born 10.02.14, A2/A2, sired by Beechgroves Ezra (GMI 281) out of Briddlesford Oaks Snowdrop 2 (GMI 288) H82 (Dairy Strength VG85)

WE NEED MORE GUERNSEY CATTLE

Are you breeding enough of your cows and heifers pure? – there is an increasing market out there, both domestic and overseas, for good quality Guernsey cattle, youngstock, heifers and cows. There are opportunities for all, please contact either Digby Gribble or Caroline Cox for information on semen available or potential marketing opportunities overseas.

SPONSORSHIP OF CALF CLASSES

The EGCS are very grateful to GLW Feeds, based at Shephed in Leicestershire, who have kindly agreed to sponsor calf classes at the major Shows from this Autumn through 2015. Each Show winner will receive some bags of the new calf rearing product that is being officially launched at The Dairy Event at Telford. Please support these classes to encourage youngsters and help promote the Guernsey breed throughout the coming year. Our thanks go to Sue Staples for making the initial introductions.

ALL BRITAIN ALL BREEDS CALF SHOW

You will, by now, have received your Schedule and Entry Form for The All Britain All Breeds Calf Show held this year, for the first time, at The Three Counties Showground, Malvern. Please ensure that you return the Forms and all necessary information to the Office in good time.
